

Reynolds Travel May Newsletter:

Spring is finally here, can you believe it? For all the Buckeye Fans out there, we finally got our Ohio State University away football trips together and they are now up on the website. Go to www.reynoldstravel.net and click on the "Sports Trips" icon on the top of the page. Also, for anybody interested in the Nebraska Bus Trip, the spots are filling up fast so if you are interested in that trip, I would not wait too long. With the gas prices getting more expensive, airfares will continue to get more expensive throughout the early part of the summer. We don't see any relief coming probably until the later part of summer when the summer travel season winds down a little bit, so keep that in mind when you plan your travels. Below are specials from various travel vendors for the latter part of April and early May, 2011. If you have any questions about these specials, you can e-mail us at ike@reynoldstravel.net or call us toll free: (866)880-0577
